DRYA Winter Seminar #9

Apr 3, 2019 @ North Star Sail Club 7:00pm

Medical Emergencies & Protest Hearings

Two topics for this seminar:

1. Dr. Tom Kopp will discuss common medical emergencies that occur on sailboats, and how to best deal with them.

2. Matt Bounds will walk us through a protest hearing, and discuss best practices for having success in the protest room

Inflatable PFD Care And Maintenance

DRYA Winter Seminar #~~9~~ #8

Mar 27, 2019 @ Port Huron Yacht Club 7:00pm

and

DRYA Winter Seminar #10

Apr 10, 2019 @ North Cape Yacht Club 7:00pm

and

DRYA Winter Seminar #11

Apr 17, 2019 @ Bayview Yacht Club 7:00pm

Todd Jones will be presenting material from the various inflatable PFD manufacturers. Inflatable PFD inspection, maintenance, and re-arming will be discussed. Attendees are encouraged to bring their inflatable PFD's, for a hands-on learning experience.

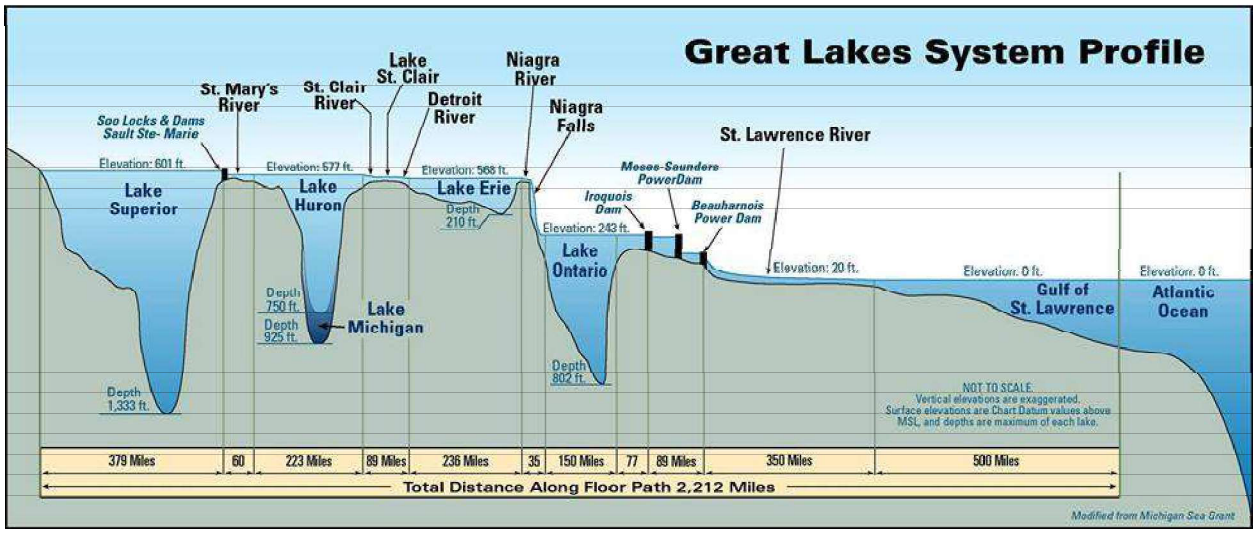
Due to the importance of this topic, DRYA will be offering this same seminar 3 times at different venues and dates.

DRYA Winter Seminar #7

Racing Rules of Sailing – Refresher

Mar 6, 2019 @ Edison Boat Club 7:00pm

International (and world famous) Judge, Matt Bounds will be presenting a refresher course on the Racing Rules of Sailing.
With Spring fast approaching, it's a good time to get yourself back in tune with the rules.



Groundwater and Running Aground DRYA Winter Seminar #6

Wed Feb 27, 2019 @ BYC

Groundwater and Running Aground: Great Lakes Levels in 2019

This weekly DRYA-sponsored seminar will focus on the water we sail on.

First, Detroit Public Television's Great Lakes Now Program Director (and area sailor) Sandra Svoboda will host a screening of "Tapping the Great Lakes" about withdrawals from the watershed.
Promo link here: https://youtu.be/Ojai9DcxoC8

Then we'll hear about the latest information about lake levels and hydrology from Andrew Gronewold, associate professor at the University of Michigan's School for Environment and Sustainability.

DRYA Winter Seminar #5

Wednesday Feb 20, 2019 at at GPSC Thompkins Center

Three Views of Crews

As a follow-on to the popular 2017 "Good Crew for Every Race" seminar, this session will focus on building and retaining crew from the perspective of an experienced owner, a very sought-after sailor, and a newbie. The goal is to help understand the motivations and desires of each group as we all try to maximize participation and fun. Presented by Dave Simon, owner of the Beneteau 36.7 'As You Wish', he will be assisted by Tommy Dawson (the very sought after sailor), and Jon Mitchell (the 'newbie'.

Hosted by GPSC, at the Tompkins Center in GPP.

Stay tuned for updates; seminar enhancements are being worked on!

Subject: NSSC seminar text

Join Dr. Thomas Kopp as he discusses first aid and emergency medical practices on the water. Learn how to deal with common medical mishaps that occur while sailing. This is a good opportunity to learn new, or refresh your boat's first aid practices, and supplies. Enjoy one of the most reasonably priced and friendly bars around, at host NSSC.
