

2002 DRYA Junior Scoring

1. The 4 DRYA Regattas 5 Regatta days: 3 1-Day Single-host, 1 2-Day DRYA Multi-host. Regatta days from the DRYA event will be scored as separate race days. (Overall prizes from the DRYA event *may* be given.) Results count for a regatta (and for season standings) in each boat type and/or age group after *two* (2) races have been run, completed, and scored for that regatta day. Scores for a completed weather day race will not carry over to a re-sail day. Club prizes *can* be awarded for a single race regatta but results do not count for season points.

2. Single Regatta score for an individual boat. Sum of the boat's scores for all races run, completed, and scored in that boat type and/or age group. (RRS appendix A2, A4 Low Point Averaging). If 5 races or more are run, completed, and scored one discard is allowed. Ties will be broken using RRS appendix A7. Protests must be heard and resolved on regatta day and there are no appeals. Boats seeking redress will use RRS AIO. Redress must be determined on regatta day by the DRYA Chairman, the Race Chairman and/or Chief judge. Entries that drop out without redress or RC notification are scored DNS. (RRS appendix A5. Attention is called to 2001 DRYA Sailing Instructions 19.1 *Boats retiring*). DNC, DNS, OCS, DNF, DSQ score number of boats plus one. See DRYA Sailing Instructions 15.6 for DSQs not discardable (RRS 2, 41, 42, 69, 44. 1). See DRYA Sailing Instructions 19.3 for substitution rule.

3. Season Champion in a specific boat type or age group: Best three of the 5 DRYA regatta days for skipper and/or crew. See Sailing Instructions 19.3 for substitution rule. Season ties will be broken using RRS A8. If there is a tie between results from a single-host regatta and results from the 2-day multi-host the 2-day shall take precedence.

4. Boy's Skipper of the Year. Best three of the five DRYA regatta days with additional mandatory participation in ... and points counted from ... the DRYA SBS quarter finals. (If SBS races are part of a regular DRYA regatta, SOTY contenders must add a 4th DRYA regatta result.) Eligible boats are *420, Flying junior, Laser and Laser Radial, all Optimist classes* and/or other boats selected for the SBS. Skippers may compete in more than one boat type and with more than one crew. Ties will be broken using RRS appendix A8 and there will be

one award. If there is a tie between results from a single-host regatta and results from the 2-day multi-host the 2-day shall take precedence.

5. Girl's skipper Of the Year. Same criteria as Boy's S. O, T Y. but girls can substitute DRYA Leiter Cup participation for SBS.

6. Crew of the Year, For boys or girls. Criteria is the same as the other O, TY. awards. One award.

7. Sportsmanship and Shipshape. Determined by the instructors for each boat type and/or age group. The instructors may also select an overall Sportsmanship Trophy winner.

8. River Championship. A season-end regatta scored separately. Eligible boats are *420, FJ, Laser, Laser Radial, and Optimist*. Entry requirements and format TBD. Individual boats are scored using the DRYA season low-point system. There is no race number minimum.

9. Age Determination, 420, FJ, and Lasers use USSA rules. (Competitors must turn 9 but not 19 in the calendar year.) Optimists use USODA rules. (Competitors must be 15 or under on Dec 31 of the calendar year. RWB fleet assignments are based on age at DRYA Regatta 1.)
