

Championship Support Program

DRYA will provide financial support to its members who qualify for participation in US SAILING Championships or Championships sponsored by the Yacht Racing Union of the Great Lakes. We are always pleased when our members qualify. Support will be provided, per person, based on the following schedule:

1. Less than 100 miles	No Support
2. Great lakes Area	\$100.00
3. East Coast through the Carolinas	\$150.00
4. Florida and Gulf Coast	\$200.00
5. West Coast and Hawaii	\$250.00

Requests must be made prior to the start of the event. Only one request per championship event may be submitted. Requests for support can be made for each person on the team. Requests can be made for either travel funds or reimbursement for entry fees. The maximum amount of support is \$500.00 per team per event. Persons requesting support must be members of DRYA by June 1st of the year in which the request is made.
