

FLYING SCOTS

KELLI MURPHY

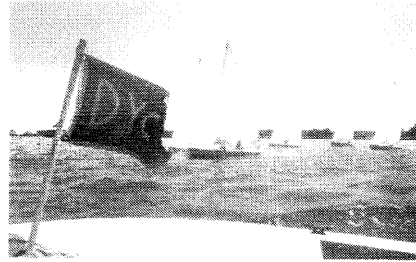

The 51st year of Flying Scots at NYC is shaping up to be one of the best yet!

Boats are scheduled to launch Saturday, March 27th

Racing starts with the Spring Series, running Saturdays from April 3 through May 15.

DYC sailing instruction is a learn-at-your-own-pace program geared at beginning or intermediate adult sailors. This sailing instruction program will offer an all-summer option to NYC members for \$250,

or two independent half-summer sessions (May/June and July/August) for \$150 each. Repeating students may take the full summer for \$125. The kick-off & informational cocktail party is **Friday, April 23rd at 6:30 pm, with an on-the-water preview on Saturday afternoon, April 24th**. Classes are **Tuesday and Thursday evenings beginning around 5:45 pm from May 4 through September 2nd**. A limited number of spaces are available for non-members for \$600 for the season. An advanced class is also offered for those sailors already possessing a NYC Skipper Card. Plan to attend the kick-off party or sign up on-line at <http://sites.google.com/site/dycflyingscots/>

Experienced sailors and NYC Flying Scot Skipper/Racing Skipper Card holders are invited to our **Instructors Dinner & Workshop on Friday, April 9 at 6:30 pm**. We train, so no instruction experience is necessary. Come find out how you can volunteer to be a part of one of the best sailing instruction programs on the water! Contact Instruction Chair Connie Allen at coni@juno.com or (313) 259-4837 or Program Co-Chair Kelli Murphy at (248) 506-8490 with any questions.

NYC Flying Scots Skipper or Racing Skipper Card holders may request a seasonal boat assignment by contacting Asset Manager Bob Cowles at bob@cowles.info. Seasonal assignments allow regular racers priority for use of his/her assigned boat and sails for Saturday regattas and other events in exchange for keeping the boat bottom clean.

Flying Scots or adult sailing questions? Send an e-mail to dycflyingscots@gmail.com.

Save the date and Meet the
Flying Scot Team!
