

2007 PJAM Ratings (PJAMR) - CSYC Regatta

Participation with Provisional JAM Ratings (PJAMR) is in DRYA Jib & Main starts and certain venues such as the Rum Challenge.

No fees are associated with the PJAMR in 2007.

Applications should be completed before the racing season starts in May.

PJAMR are based on owner-supplied data and the US Sailing published PHRF ratings and may not be appealed.

PJAM Ratings are for one year only and must be applied for each year.

Applications must be submitted no later than Wednesday, at 4:00pm, before a race in which someone wishes to participate.

We encourage your support of DRYA and join as a Sustaining Member. The annual fee is \$ 35.00.

A list will be published on the DRYA website, www.drya.org, each week. The names on that list are boats that race DRYA Jib & Main, along with certain scheduled "special" venues (Rum Challenge) with PJAMR numbers. All others will be found on the current DRYA Valid and will use their DRYA Valid List Rating as necessary.
