

Notes and Requirements for Overall Division Trophy Awards

In addition to the separate regatta awards given to each class by the Sponsoring Clubs, and the overall series awards given to each class by the DRYA for the Spring, Summer, and Season Series, boats are also competing for the following OVERALL TROPHY AWARDS or division awards.

Time limits for OVERALL TROPHY or division awards are separate and distinct from time limits for each class. ONE boat of any class racing within a division and finishing within the time limit shall qualify the race for ALL classes in that division that are competing for the division award, even that boats class did not qualify for the race. Further explanation can be found in the USSailing Appeals Book for 2009-2012 - Appeal 37.

If NO boat racing for a division award finishes within the time limit then that race will not be counted toward the award. See schedule below.

In the event a class elects not to sail in a regatta in which their division competes, that race will still be a counter and those boats will receive no score for that regatta.

In the event a REGATTA or REGATTAS are cancelled the number of REGATTAS counted and the number of throw-outs allowed will be determined by the chart below.

Regattas in a series	1	2	3	4	5	6	7	8	9	10
Regattas required to qualify for that series	1	2	2	3	4	4	5	6	7	7
Throw outs allowed for that series	0	0	1	1	1	2	2	2	2	3

If a class ELECTS not to sail a regatta, that regatta remains a counter for that division and the class electing not to sail the regatta shall receive no score. If a start is NOT AVAILABLE for a class the number of races sailed shall be reduced and the number of races required to qualify adjusted accordingly by the table above.
