

Regatta Requirements for DRYA Classes - 2011

In all instances DSQ's can not be thrown out and must be counted as a required race.

Individual classes may petition the DRYA for adjustments to this schedules. Any such adjustment would apply only to the class or classes so requesting. These adjustments would not apply for the DRYA Overall Trophy Awards which are explained on a seperate sheet attached.

Spring, Summer, and Season Awards will be given to each class listed below. The races each class is scheduled to sail are indicated by an "X". Any request for change should be communicated to the DRYA office immediately.

For ALL classes: In the event a regatta or regattas are cancelled, the number required to qualify will be adjusted according to the table shown on separate attached sheet.

For ALL classes, excluding the IRC classes, corrected times will be calculated using TIME ON TIME (TOT). TOT formula is $650 / (\text{PHRF rating} + 557)$

Overall Trophy Awards corrected times will be calculated on a "average per mile" basis for each race using TIME ON TIME (TOT). This is to adjust for different classes competing for the same award, but sailing a different length race or races.
